THE STRENUOUS LIFE

Results in Stomach Troubles and Physical Breakdowns Mr Penny Offers Simple Remedy.

The strenuous life of modern times forces people to rush through their meals hastily, hurrying from the table in the mad rush for the almighty dollar.

The result is incomplete digestion, inflammation of the walls of the stomach, and lack of secretion of the gastric juices, ending in chronic stomach trouble and nervous breakdown.

How much better it would be to eat more slowly, cure the stomach trouble with Mi-o-na, and soon regain perfect health. The headaches, sleeplessness, nervous troubles, pain after eating, specks before the eyes, backaches, melancholy and gloomy foreboding would be soon overcome and perfect health would be restored.

Proper treatment of the weakened digestive system with Mi-o-na will cure every case of stomach trouble. The results of this treatment are so astonishing and so pronounced, that those who have tried it never fail to appreciate its value as a healing agent.

So reliable is Mi-o-na in curing all forms of stomach weakness and troubles that Mr. Penny gives a signed guarantee that the remedy will cost nothing unless it cures. Each box of Mi-o-na sells for 50 cents, and is invaluable to anyone who suffers with indigestion, nervousness or weak stomach.

Ed Johnson, colored, was taken from the jail at Chattanooga by a mob of 75 men and hanged to a beam of the county bridge over the Tennessee river. The rope broke and the Negro's body fell, and the mob quickly riddled him with bullets. Sheriff Shipp and the jailer were locked in a bathroom while the mob secured the prisoner. Johnson had assaulted a white woman and was under a death sentence but the U. S. Supreme Court granted a stay of execution.

Clears the Complexion.

Orino Laxative Fruit Syrup stimulates and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Orino is much superior to pills, aperient waters and all ordinary cathartics as it does not irritate the stomach and bowels. Penny's Drug Store.

No matter what happens, good, bad or indifferent, a Kentuckian seems to be mixed up with it. Even Telegraph Operator Lively, who caused the terrible wreck on the Rio Grande, was from Munfordsville, Ky.—Frankfort State Journal.

It will not cost you a cent to try Chamberlain's Stomach and Liver Tablets, and they are excellent for stomach troubles and constipation. Get a free sample at Dr. W. N. Craig's, the popular druggist at Stanford, Ky.

"I see Robinson's married again—married his first wife's sister."

CHURCH MATTERS.

Rev. L. M. Omer will preach at McCormack's church next Sunday at 2:30 P. M.

Rev. E. O. Hobbs, of Wilmore, will preach at Logan's Creek church Saturday night and Sunday morning.

Bishop Burton, of Lexington, will preach at the Presbyterian church on Tuesday evening, March 27, at 7:30. All are invited.

Representative Smith introduced a bill appropriating \$2,700 to reimburse the Christian church of Campbellsville for damages done by Federal soldiers during the Civil War.

Rev. O. O. Green has tendered his resignation as pastor of the Mt. Vernon Baptist church, in Woodford county, to accept a call to the pastorate of the Compton Heights Baptist church, at St. Louis.

The Baptist church and Baptist parsonage, which adjoin, at Lebanon Junction, valued at \$6,000, were burned to the ground. The fire was caused from a defective furnace. There was \$2,600 insurance.

We are in receipt of a program of the Fifth Sunday meeting which will be held with the Baptist church at Liberty April 27, 28, 29. A number of prominent pastors and church workers are down for sermons and talks.

John D. Rockefeller was likened by a member of his son's Bible class Sunday to Moses, Washington and Lincoln—and yet Moses led his people to the promised land, Washington couldn't tell a lie and Lincoln abolished slavery.—Boston Globe.

The first place of worship in Western Australia was unique in two respects—the materials of which it was built and also the several purposes to which it was devoted. This remarkable building was made at Perth by soldiers soon after their first arrival, in 1820, and was composed almost entirely of bulrushes. In addition to its use on Sundays for divine worship, it occasionally served as an amateur theater during the week and during the whole time as barracks.

MATRIMONIAL.

Henry Trub, a well-to-do farmer of the Ottenheim section, and Miss Rosa Ullman, of Ottenheim, will be married to-morrow.

Samuel F. Rock, president and general manager of the Lynn Camp Coal Company, of Grays, and Miss Monie Prather, of Richmond, were married Wednesday.

Matt Preston and Miss Ella Parsons drove to Lancaster late Thursday afternoon and were made one. The groom is the clever fireman for J. R. Beazley's rock crusher, while his bride is the pretty daughter of Mrs. W. H. Parsons.

CORNS CURED.—Corn Exit will positively remove corns in four days. The treatment is simple and pleasant and we absolutely guarantee to refund the money to each and every customer whose corns are not promptly removed with entire satisfaction. A bottle of this great preparation only costs 15 cents and nothing if a perfect cure is not speedily effected. G. L. Penny, druggist, Stanford, Ky.

Mrs. America McWhorter, aged 84, is dead in Laurel.

NEWS NOTES.

Silas Paul, well known over Central Kentucky, committed suicide with carbolic acid at Cynthiana.

Representative George R. Patterson, of the Twelfth Pennsylvania district, died suddenly at Washington.

John J. Harbison, president of the wholesale saddlery house of Harbison & Gathright, Louisville, died suddenly.

Posses are after five Negroes who killed a white railroad boss near Maryville, Tenn. A running fight with the fugitives took place.

Miss Josephine Hamilton Nicholls, of New Orleans, has been named sponsor for the South at the coming Confederate reunion in that city.

While defending himself from an attack made by rioting Italians, a railroad construction foreman killed seven men with a crow bar at Marion, N. C.

John Brown was fined \$10 in the Fayette circuit court at Lexington on the charge of horsestealing, having entered a plea of guilty with mitigating circumstances.

A plan is on foot in Lexington to convert the present C. and O. passenger station, which is soon to be discarded, into a railroad Y. M. C. A. building.

The Court of Appeals, affirmed the Leslie Circuit Court in the case of "Bud," Asher and Ran Asher, each given life for the murder of Chas. Bloomer.

William Taylor, former vice president of the Industrial Mutual Deposit Company at Lexington, who was convicted of embezzlement, was granted a new trial.

One thousand dollars has been collected in Owen county as a license on vehicles, and the amount has been added to the turnpike fund to be used in bettering the condition of the country roads.

The head and arms of Myrtle Cross were torn off while working in McBride Brothers' bakery at Washington, Ind. He was feeding a dough mixing machine when his hand caught beneath the roller and was dragged to instant death.

Late reports from points in the South are that the cold wave was more severe than at first reported. In many places ice was a quarter of an inch thick, and cotton and corn just planted have been killed. The loss to the peach crop is complete.

The body of Johann Most, the anarchist, was cremated in Cincinnati. There was no religious ceremony, but some of Most's comrades delivered brief addresses before the cremation. Mrs. Most will take her husband's ashes to New York and the memorial meeting is to be held there in a few days.

The world's record in blindfold type-writing contests was broken at the National Business Show at Chicago by Miss Rose L. Fritz, of New York, who wrote 4,007 correctly in 60 minutes. The total number of words written was 4,457, but 450 mistakes were made. When she won her championship medal in New York Miss Fritz wrote 3,857 words in 60 minutes.

Judge R. C. Warren is in receipt of the following letter. Any information from our citizens concerning relics will be gladly received by the judge:

The committee on Relics for Home Coming Week, in Louisville, June 13 to 17, inclusive, desires that all counties in the State of Kentucky make a display of their relics on the balcony of the armory during above named period, and you are urgently requested to send to this exhibition what you can in the way of relics of families and persons of the earlier days of Kentucky. Relics will be given all possible care while in possession of the Home Coming Week Committee, and will be carefully boxed and returned to owners with freight or express charges paid each way by the committee. Kindly indicate at once what you will send. Charles Thurston Johnson, chairman of committee on relics, 207 Columbia Building, Louisville, Ky.

Always Keep Chamberlain's Cough Remedy in the House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept on hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by Dr. W. N. Craig, the popular druggist at Stanford, Ky.

Bobbie—Mamma? Mamma—Well?

Bobbie—Were men awful scarce when you married papa, or did you just feel sorry for him?—Judge.

LANCASTER.

Monday is county court day. Our postoffice has been greatly improved by several changes in the fixtures.

It is quite probable that the night and morning passenger trains will run every Sunday under the Spring schedule.

The Masonic lodge will move into the third story of the Citizens Bank building and will spend several hundred dollars for new furniture, carpets, etc.

The grand jury adjourned Wednesday, having found indictments for many misdemeanors. Quite a number were returned against worthless Negroes under the vagrant law.

The city council will likely put the "lid on" after the next regular meeting. This will close all stores, barber shops, etc., on Sundays, a movement most of the merchants would like to see.

Mrs. Aleck Sutton died at her home in this vicinity, after an illness of several months from tuberculosis, aged 65. She leaves two daughters, Mesdames Taylor House and Lloyd Bourne, and two sons, Butler and Samuel Sutton.

A mass meeting was held at the Presbyterian church, the object of which is to inaugurate a better era of good citizenship and arouse the people to a more active and aggressive interest in municipal reform and the general establishment of civic righteousness.

The blind tiger operators are still under cover and Lancaster has never been so "dry" as at present. For a while the sale of liquor was almost as open as under the license system, but the officers have decided to enforce the law and our town is now thoroughly within the provisions of the law.

Mrs. Louis Landram is visiting her sister, Mrs. A. H. Rice, in Louisville. Theo Currey and H. M. Ballou attended the funeral of Mrs. Gaines in Danville. Mesdames C. D. Powell and H. C. Hamilton have returned from a visit to friends in Louisville. Col. W. S. Ferguson is over from Covington looking after his large farm.

The case against Will Ward for killing Henry Patterson, was called Monday morning and it required but little time to select a jury from the special venire of 50 men summoned from Madison county. A great deal of proof has been introduced and the speaking began yesterday. The Commonwealth is represented by Hon. Charles Hardin, Judge M. C. Sautley, County Attorney Robinson and Hon. Robert Harding, while the defense is conducted by Hon. R. H. Tomlinson, J. Mort Rotewell and W. I. Williams.

HIGHLAND.

Rev. G. H. Cannon filled the pulpit of Rev. Ebright, who was ill last Sunday.

Died a few days since at her home on Green River, Mrs. M. H. Yocum, formerly of this place. Her death was caused by cancer of the jaw.

We still get our mail at our postoffice but it is usually from one to five days late. It is more than likely that a petition will be circulated asking that the star route be put back.

H. F. Horton has moved into his new house. Una Graybeal's little boy has been sick for some days with spinal meningitis, but is somewhat improved. Mrs. Scott Singleton, who has been sick for some time, is also better.

The remains of John Hibbard, who was killed in attempting to jump off a freight train as it was passing Kingsville, were laid to rest in the Mt. Moriah cemetery after funeral services conducted by Rev. C. D. Evans, of Kingsville, and the Maccabees.

FOR SALE.—A nice large store room and dwelling above, consisting of several nicely furnished rooms. A good barn and lot and all necessary outbuildings. The property is in good repair, situated on Main street in Stanford, Ky., right in the business portion of town. The property will be sold at a bargain and is a splendid opportunity for some one desiring to go in business, for the store and dwelling combined will be a great saving in rent, etc. Possession given immediately. For particulars, etc., see or write L. R. Hughes, Stanford.

Dangers of Pneumonia.

A cold at this time if neglected is liable to cause pneumonia which is so often fatal, and even when the patient has recovered the lungs are weakened, making them peculiarly susceptible to the development of consumption. Foley's Honey and Tar will stop the cough, heal and strengthen the lungs and prevent pneumonia. La Grippe coughs yield quickly to the wonderful curative qualities of Foley's Honey and Tar. There is nothing "just as good." Penny's Drug Store.

John Beech, while causing a disturbance in the hotel of the Salvation Army in Birmingham, was thrown down the steps by Clerk W. L. Ball, his neck being broken, causing instant death.

HOHE BUILDERS.

You are now planning your house to build this season. Don't forget these facts about Tin Roofing:

FIRE! FIRE! FIRE!

Do you know the feeling these words give a property owner? If you have a tin roof there will be 50 per cent. less danger of fire at your house. When you think how much longer it will last, it is the cheapest and best roof made. Don't fail to consult me and get prices before you decide on your roof.

S. H. ALDRIDGE,

The Interior Journal.

E. C. WALTON.

THOSE who think that Japan exhausted all her resources during the war, forget that the little Yankees are very resourceful. They have resolved to try the experiment of nationalizing the railroads, and the Japan Diet, by a two-thirds vote, has appropriated \$250,000,000 to buy out the companies now owning and operating the roads. The purchase of the entire system of the country, it is anticipated, will be effected within five years. The only government that has achieved fairly good results from State-owned railroads is that of the Kingdom of Prussia. Perhaps the Japanese will prove as apt pupils of the Prussians in the art of railway management as they have been in the military art.

THE trustees of the New York Life Insurance Company have agreed to refund to the company out of their own pockets the contributions to the republican campaign funds for the last three presidential elections, amounting to \$148,000. When Judge Parker charged that corporations were being held up by Cortelyou, chairman of the National republican committee, for the benefit of the campaign fund, Mr. Roosevelt showed his teeth, and swearing that it wasn't true called the judge a liar in seven different ways. The president could hardly have been ignorant of what was going on. At any rate, he ought to apologize to the judge and ask the public to excuse his bad manners.

THE giving of political contributions from the funds of a life insurance company by the officers of such a company does not constitute larceny or any other crime, in the opinion of William Travers Jerome, of New York City. The distinguished district attorney will please inform a waiting public what appropriating money that should be paid to widows and orphans does constitute.

THE death of Herr Most, one of the original anarchists, recalls the fact that after one of his outbreaks in New York the police went to arrest him and found him under the bed. That was the beginning of his end. Even anarchists admire bravery, and the absence of it in Most knocked him out as their ideal leader.

THE Ohio Senate passed the Anti-hazing Bill which originated in the House, and it now goes to the Governor for his signature. The bill provides that any student of any university or school found guilty of hazing shall be fined not more than \$200 or imprisoned not more than six months in jail or both.

NEWS comes that Senator Gorman, of Maryland, is permanently ill of organic trouble and that his career is probably ended. It is hoped that the statement is untrue. The Senator has been a wheel horse in his time and his loss would be a destructive one to democracy.

REPORTS that Chairman Shonts, of the Isthmian Canal Commission, intended to resign, are denied. Of course there is no truth in the reports. Republicans never resign and seldom die.

EDITOR LANDRAM, of the Lancaster Record, has placed us under additional obligations to him. When it comes to genuine cleverness, Brer Landram is in a class by himself.

POLITICAL.

DAVID R. FRANCIS, of Missouri, formerly of Kentucky, is mentioned in Eastern papers as a suitable man for the Democratic presidential nomination in 1908.

THE name of Charles S. Francis, of Troy, N. Y., was sent to the Senate as ambassador to Austria-Hungary. Formerly he was American minister to Greece.

COUNT Witte, Russia's premier, virtually announces his retirement, indicating that his successor will be Privy Counsellor Kokovsoff, former minister of finance.

ADMIRAL Dewey before the House Committee on naval affairs advocated more big battleships for our navy. He urged that they be of American design, declaring our navy should be creative, not imitative.

GOV. Beckham has made the positive statement that he will not, for any purpose whatever, extend the call for the extra session of the General Assembly. Some wanted the call extended to consider an appropriation for the Jamestown Exposition.

THE talk of the candidacy of A. R. Dyche for Congress has spread throughout the district, and we are reliably informed that he has received many letters in regard to his intentions. So far, Mr. Dyche is non-committal, but we believe receptive.—London Local.

THE system of paying county officers in Ohio by fees is wiped out, and all county auditors, recorders, sheriffs, prosecuting attorneys, clerks of courts and treasurers, will be placed on straight salaries beginning Jan. 1, 1907, through a bill which has practically become a law.

THE Senate voted away \$140,000,000 of public funds in 20 minutes, this sum being carried by the Pension Appropriation Bill.

SIXTY-six bills and one resolution received the approval and signature of the Governor Wednesday, making a total of 122 legislative acts. Thirty-seven bills yet remain upon the Governor's table for consideration before the close of the week.

IN NEIGHBORING COUNTIES.

MOSES Rudford was killed by a cave-in in the Tennessee stone quarry near Middlesboro.

THE Board of Education, of Middlesboro, will build a \$30,000 school building this summer.

A Chicago company has just developed a good oil well in Whitley county, near Williamsburg.

THE commissary of the Luke & Drummond Coal Company near Middlesboro burned. Loss \$6,000; insurance \$4,000.

Judge Thomas H. Paynter, Senator-elect, will deliver an address to the law class of Central University at the close of the session in June.

THE board of education of Barbourville has decided to issue bonds to the amount of \$10,000 for the purpose of establishing a graded high school.

AT the sixth annual convention of the Grand Council of the Royal Arcanum at Richmond, Louisville was chosen as the next meeting place and officers were elected for the ensuing term.

A tri-county fair, to represent Knox, Whitley and Laurel counties, is being proposed for Corbin, where the three counties meet. A company is being projected there and a tract of 46 acres is being considered.

ARTICLES of incorporation were filed in Covington for a branch of the C. & N. O. & T. P. railway to form a connecting link between that road at Sloan's Valley, Pulaski county, and the Cumberland river. It will be 25 miles long.

JOHNNIE Wayne, of Lebanon, slipped up behind Stanley Cabbell, who was cleaning finger-nails with a knife, and tickled him behind the ear. Cabbell boy threw up his hand, and the knife-blade severed the Wayne boy's left eyeball.

PLANS are under way for the building of a new dormitory at Union College, Barbourville, on property purchased some time ago. The building will cost about \$20,000, and will accommodate 100 students. A mechanical hall is a possibility of the near future.

DUDLEY Conover, an employee of the Kentucky Supply Company, Danville, was killed instantly by falling from a wagon on which he was working. His neck was broken. Conover was standing on the bed of the wagon assisting another Negro employe unload some sacked oats. When in the act of lifting a sack he lost his footing and fell backward, striking his head on the hard wood floor.

The line connects with the local telephone system at Mt. Vernon, and a system of telephones will be put in at Crab Orchard by the Cumberland Telephone Co., which will be connected on this new line. CARD OF THANKS.—We, the undersigned, in behalf of the members of the Presbyterian church, desire to thank all who so willingly and efficiently aided us in making a success of the entertainment, "The Singin Skule Begimment." McRoberts and Rowan Saufley for their time and efforts in our behalf, and Mr. Joe Rice for standing so long in the cold at the ticket office. May each never know greater sorrow than the Singin Skule gave them. Miss Nell Warren, Mrs. W. B. McRoberts, Mrs. Steele Bailey.

THE gentlemen who offered a railroad to Danville presented an article a little too rich for Danville to digest. At any rate Danville would not be so mean as to interfere with the plans of Stanford. When the promoters stated that Stanford had promised to subscribe \$200,000 for an extension of the road from McKinney, eight miles distant, Danville decided then and there that Stanford was entitled to the prize and ought to have it.—Advocate. The gentleman added too many ciphers. It was more like \$2,000 if any subscription was promised at all. However, inquiry fails to show that any amount has been offered in the event the steam line from Scottsville to Stanford is built.

FOR SALE.—Second-hand top buggy. E. C. Walton.

IF you want to encourage the young in their efforts to higher things, go to the Graded School Auditorium Friday night and hear them in an open meeting of the literary societies.

ONE of the largest audiences seen at Walton's Opera House in years witnessed the "Singin Skule Begimment" Tuesday evening and if the entertainment was not thoroughly enjoyed, laughter and applause count for nothing. In fact the immense throng was kept in an uproar from the rise of the curtain till its final fall. Miss Bertha F. John, of Cincinnati, took the leading role, that of Mistus Arabella Robbins, and her work was splendid. She was ably supported by Mr. Joseph C. McClary, as Jeremire Robbins, her husband and assistant singing school teacher. Mr. McClary put his whole soul into his difficult part and played it surprisingly well. As Juliet Shakespeare, Miss Nell Warren was par excellence; Miss Marie Mahony made a creditable Rovianna Gigglesby, while as Charity Bumpkins Miss Minnie Sine was a splendid representative. Miss Jennie Lynn acted the role of Mercy Tweekins, the timid scholar, to perfection and as Jerusalem Jarkins, Miss Polly Traylor was most dignified and literary. Polly Rumpus, as full of fun as an egg is of meat, was exquisitely represented by Miss Pattie Alcorn. Baby Tweekins and Rosie Tweekins, the baby scholars, who finally received the silver "metal" for being the most apt pupils, were in reality Misses Stella McClary and Winnie Davis Bibb. Mrs. W. A. Tribble and Miss Margaret Hopper, as Mehitable Spooner and Miranda Wantomary, made capital old maids and brought down the house with their "musicless" song. Alvira Slimmins, Tribby O'Farrell and Sophrena Flimkins, were most creditably presented by Mrs. Will Wearen, Mrs. J. S. Rice and Miss Sara Dunn. The characters of Clementina Hanks, Jemimey Larkins and Lorella Everlove were well portrayed by Miss Georgia Lewis, Mrs. Bess McKinney and Miss Jennie Warren. Miss Elizabeth Higgins made the cutest kind of an Angeline Turveydrop and pleased the audience with a song. Sis Fiddledee was represented by Stanford's little musical prodigy, Miss Berta Jean Penny, whose whistling was greatly enjoyed. Mrs. James G. Carpenter, as Samantha Anne was the melodist and the music she furnished was of a high order. The following gentlemen played their parts so well that it might be invidious to particularize: Will Wearen as Romeo Shakespeare, Ed Ballard as Hezekiah Bumples, George Hopper as Tommy Doodle, Tim Pennington as Zebulon Toodles, Garland Singleton as Samuel Weller, Fred Cook as Darius Catehally, Robert Porter as Meshack Josselin, Charles Downer as Rube Spank, James Newland as Hickory Jones, Manly Huey as Willie Winkie, Robert McMullen as Jehosaphat Jarkins, Russell Brown as Yellow Kid. The "Skule and Visiting Kummittees" were composed of Mrs. Rube Smallfeather, Mrs. W. B. McRoberts; Mrs. Flutie Fairweather, Mrs. Steele Bailey; Miss Freda Stubnose, Miss Sophie Alcorn; Miss Hulda Gablemuch, Miss Mary Burch; Lem Hawkins, W. H. Higgins; Jed Spoopendyke, Walker McKinney. The ladies of the Presbyterian church cleared about \$65 on the entertainment, which amount will be appropriated to a good cause. Mesdames Steele Bailey, W. B. McRoberts and Miss Nell Warren did most of the work in getting the "show" started and they are deserving of much credit not only from the church people but from the public for presenting such a pleasing entertainment. Miss John made many friends during her short sojourn here, who sincerely hope her labors elsewhere will be as liberally rewarded as they were in Stanford. She went to Pittsburg Wednesday, where she will assist local talent in giving a "Singin Skule Begimment."

IN MEMORIAM.

Sadness and gloom overshadowed our

community on the 13th, when the death

angel visited the home of G. T. Rey-

nolds at Waynesburg, and took from

him his dear companion. She was a

good, christian woman and was loved

by all who knew her. She leaves a

husband and 11 children to mourn her

loss. Two of her daughters are mar-

ried and the youngest is only two years

old. Mrs. Reynolds lived a devoted

christian life and was a faithful wife

and mother. If her voice could again

be heard in her home she would be

heard to say: "Husband meet me in

heaven; children, follow in my foot-

steps."

Her busy hands are folded

Her work on earth is done

Her trials are all ended

Her heavenly crown is won.

Past her suffering, past her pain

Cease to weep for tears are vain.

Calm the tempest of your breast

For she who suffered is at rest.
